Reading Guidelines

- Read or be read to 20 minutes each day.
- After completing your daily reading, mark off the date on the calendar.
- Eight (8) "read free" days are included to use any time during the 8 weeks. (*Only 4 are given if you register after June 30th.)* Just write "Bad-Dream" on the calendar in that day's date.
- Any participation in any DPLS Summer Reading Event counts as your 20 minutes of reading for that day. Though we encourage it, attending events is optional.
- Due to all activities being held outside, events will be cancelled if heavy rain or storms are present 30 minutes prior to start time.
- For events marked by an asterisk (*), *additional registration is needed.* Due to a limited number of spaces available, participants who are not on the additional sign-up sheet will not be able to attend. Once the available spaces are filled, others wishing to register will be put on a waiting list and contacted to attend only if a space becomes available. Please see a Youth Services Associate for details.
- Most programs will last approximately 1 hour.
- To be eligible for prizes at the end of 8 weeks, participants must have completed 6 weeks of the reading requirements.
- Age group placements are non-negotiable.
- Please be aware when turning in your reading, we may not be able to accept it while an event is in progress.
- Thank you for your cooperation in complying with these rules & requirements to ensure everyone has an enjoyable experience.
