Federal and Commercial Websites:

- **American Council on Alcoholism** (<http://www.aca-usa.org/>): An excellent resource for clients and family members, this database provides information on screening tests, treatment locators, and additional resources and links to readings and addiction information.
- **ODADAS** (<http://www.odadas.ohio.gov/public/>): ODADAS is responsible for the development of a comprehensive statewide plan, emphasizing abstinence as its primary goal, to distribute federal and state funds for the prevention and treatment of alcohol and other drug addictions. The ODADAS publication clearinghouse has recently been relocated to the State Library of Ohio. The clearinghouse provides free publications for use by teachers, law enforcement, parents, youth and the general public.
