

## Pathfinder

---

This subject guide is for members of the public seeking federal government information from the State Library of Ohio. For additional information, contact the State Library about available services, reference help and publications at 614-644-7051 or [refhelp@library.ohio.gov](mailto:refhelp@library.ohio.gov).

The State Library is a congressionally designated depository for U.S. Government Documents. Public access to the government documents collection is guaranteed by public law. (Title 44 United States Code)

The Government Information Services section of the State Library contains over 1 million publications, dating from the 1700s to the present.

### Electronic Collections:

- **Ohio Web Library** (<http://www.ohioweblibrary.org/>): The Ohio Web Library is an evolving collection of thousands of online publications and research resources. The Ohio Web Library includes: popular magazines, trade publications, scholarly research journals, newspapers from Ohio and the nation, encyclopedias, dictionaries, speeches, poems, plays, maps, satellite images of Ohio, and more.
- **ProQuest Congressional (Accessible on library premises only)**: The ProQuest Congressional database contains all published House and Senate documents and reports from 1789 to the present.

### Online Resources:

- **Congressional Directory** (<http://www.congress.org/congressorg/directory/congdir.ft>): An online directory of all current members of the US Senate and House of Representatives.
- **Federal Digital System** (<http://www.gpo.gov/fdsys/>): A service of the U.S. Government Printing Office that provides free electronic access to a wealth of important information products produced by the Federal Government
- **Thomas** (<http://thomas.loc.gov>): Federal legislative information freely available to the public from the Library of Congress
- **Catalog of U.S. Government Publications** (<http://catalog.gpo.gov>): The CGP is the finding tool for federal publications that includes descriptive records for historical and current publications and provides direct links to those that are available online.
- **FedStats** (<http://www.fedstats.gov/>): Provides statistical information from more than 100 federal agencies.
- **Federal Regulations** (<http://www.regulations.gov>): A source for information on the development of Federal regulations and other related documents issued by the U.S. government. Through this site, you can find, read, and comment on regulatory issues that are important to you.
- **Supreme Court of the United States** (<http://www.supremecourt.gov>): Contains information about the opinions of the U.S. Supreme Court and how to obtain them. Also includes information on the docket, rules, orders, and schedule. Provides a history of the Court and a visitor's guide.
- **Government Web Resources** (<http://www.loc.gov/rr/news/extgovd.html>): The Library of Congress homepage for federal government information and links to other government agencies.

### Additional Resources:

- **Federal Depository Library Directory** (<http://catalog.gpo.gov/fdlpdir/FDLPdir.jsp>): While the State Library is the Regional Depository for federal documents in Ohio, use the directory to find Selective Depositories throughout the state and other depositories throughout the country.
