

ACCESS

On your library's website,
www.ohioweblibrary.org
www.library.ohio.gov

You may browse the site before registering, but once you locate a resource you'd like to use, you will be prompted to register before you can access it. Registration enables you to store any tests, eBooks, or tutorials for future use.

To register from a computer in your library, simply click the New User? Register Now link on the landing page. On the following page, enter your name and email address, create a password, read and accept the disclosure agreement and click Register.

If you are on a computer outside of your library, you must access LearningExpress Library™ 3.0 from the link on your library's website. Or, you may link to it from www.ohioweblibrary.org or www.library.ohio.gov. You may be asked to enter your library card number.

For future visits to the site, you can simply login as a Returning User with your email address and the password you created at registration.

All users must register as new users. If you are a registered user of LearningExpress Library 2.0 or Job & Career Accelerator, your login will not work on LearningExpress Library™ 3.0.
