

## To add your logo to the Find Help in Tough Times logo in Acrobat Pro

*Instructions are from the help menu in Adobe Acrobat Pro*

1. Choose Tools > Advanced Editing > TouchUp Object Tool .
2. Right-click/Control-click the page and choose Place Image.
3. Choose one of the following file formats: BMP, GIF, JPEG, PCX, PNG, EPS/PS, or TIFF.
4. Select an image file, and click Open.

A copy of the image file appears in the center of the page, at the same resolution as the original file.
