Federal and Commercial Websites:

- **American Psychological Association** (<http://www.apa.org/>): Based in Washington, DC, the American Psychological Association (APA) is a scientific and professional organization that represents psychology in the United States. With 150,000 members, APA is the largest association of psychologists worldwide.
- **National Institute of Mental Health** (<http://www.nimh.nih.gov/index.shtml>): The mission of NIMH is to transform the understanding and treatment of mental illnesses through basic and clinical research, paving the way for prevention, recovery, and cure. For the Institute to continue fulfilling this vital public health mission, it must foster innovative thinking and ensure that a full array of novel scientific perspectives are used to further discovery in the evolving science of brain, behavior, and experience. In this way, breakthroughs in science can become breakthroughs for all people with mental illnesses.
- **Mental Health America** (<http://www.nmha.org/>): Mental Health America (formerly known as the National Mental Health Association) is the country's leading nonprofit dedicated to helping ALL people live mentally healthier lives. With our more than 320 affiliates nationwide, we represent a growing movement of Americans who promote mental wellness for the health and well-being of the nation – every day and in times of crisis.
